

Performance Photographs Order form

Photographs by Joshua Daniels

We are offering a CD, commemorative poster, and custom enlargements of photographs from the final rehearsal and matinee performance of the Rose Children's Theatre's *Stuart Little*.

The CD contains 75 or more high-resolution photographs that can be easily viewed on most computers with a CD ROM drive (PC or Mac) or used to make excellent quality prints--either at a photo kiosk, local lab, or through our custom print service (see below for pricing on our archival prints, color or black and white, either unmounted or matted and framed).

We also offer a 12x18 poster commemorating the performance. It may be ordered along with a CD or separately. Finally, we can make beautiful, fade resistant archival prints, suitable for framing, in a variety of sizes (please contact the photographer for details).
